OCTOBER 2019

## The Hope of Results

Thomas Merton was a monk who lived away from the world in silence, first in a monastery in Kentucky, and later in his life as a religious hermit. He wasn't allowed to speak, but his abbot encouraged him to write. And write he did. His years of silence and mystical meditation filled him with the presence of Christ, who called him to write not just about mysticism, but about justice and non-violent activism. He was often depressed and lonely, but these dark times deepened him into a truly wise and compassionate person. In his "Letters to a Young Activist," Merton wrote words that have touched me deeply, and given me hope in the midst of an increasingly chaotic world. Let me share them with you:

"Do not depend on the hope of results. When you are doing the sort of work you have taken on, essentially the work of an apostle, you may have to face the fact that your work will be apparently worthless and even achieve no result at all, if not perhaps results opposite to what you expect. As you get used to this idea, you start more and more to

concentrate not on the results, but on the value, the rightness, the truth of the work itself. And there too a great deal has to be gone through, as gradually you struggle less and less for an idea, and more and more for specific people. The range tends to narrow down, but it gets much more real. In the end, it is the reality of personal relationships that saves everything."

In the end, it is the reality of personal relationships that saves everything.

We can't embrace, forgive or confront anyone in the abstract. If we're going to make a difference, it has to be in relationship with those around us. And some of those people we may not agree with; some we may not even like. But in our personal relationship is the only place where change will occur.

In Christ's love,  
Pastor Hawkins

The Resurrection is not the resuscitation of a body; it is the beginning of the transfiguration of the world.

Order gift cards and pay face value...Emmanuel benefits a percentage of each purchase. Gift cards are great for your own use or for gift giving. Pastor Nansi also uses \$25 grocery and gas cards to help those in need. If you have any questions, please speak to Laurie Buckett.

## Neighbors In Need Offering

The Neighbor in Need Offering, which we will receive on October 6, 2019, supports the UCC's ministries of justice and compassion throughout the United States.

Two-thirds is used by the UCC's Justice and Witness Ministries to fund a wide array of local and national justice initiatives, advocacy efforts, and direct service projects. One-third of the offering supports the UCC's Council for American Indian Ministries (CAIM). Historically, forebears of the UCC established churches and worked with tribes in North and South Dakota, Wisconsin and northern Nebraska. Today there are 20 UCC congregations on reservations and one urban, multi-tribal UCC congregation in Minnesota.

Neighbors In Need helps make a just world for All possible. For this to occur, it needs your support.

Please give generously!!!! NIN envelopes can be found in the fellowship pads.

Thank you,  
The Stewards

Coming in  
October

**Book / Bible Study**  
starts **Wednesday, October 16, 7:00 PM.**  
The group will meet weekly  
until **Thanksgiving**  
and will be lead by **Jim Langreder**

Our "Switch on Your Brain" book study will begin Wednesday October 16 at 7pm in the library.

We will meet each week to discuss chapters read and then finish up with a 21 brain detox to help with our mental health. We plan to finish up the week before Thanksgiving so we are all free before the busy holiday season begins.

I strongly encourage anyone who is curious to attend. With so many transitions for our church in the coming year I thought it would be helpful for us all to get in a good, positive mindset. Invite friends! Everyone can benefit from this book. Mental clarity, breaking addictions.

Learn how what we think truly affects us physically and emotionally. We will learn how to live a happier, healthier life and replace toxic thoughts with healthy ones.

Grab a book and workbook. Amazon has them and I will also be stopping by Books & Company in Oconomowoc to ask if they could carry it and feature our group in their book club section.  
More to come....

Blessings!  
Jim

## CAPTIAL CAMPAIGN

### UPDATE

At the 2019 annual meeting of the congregation, the creation of a Capital Funds Campaign was approved to raise funds to complete several large maintenance projects. This campaign was approved for a period of three years with a goal of \$100,000 to repair HVAC duct work insulation, a new electronic sign, and to repair or replace the roof of the church. To meet the \$100,000 goal we should raise about \$33,000 per year. To date, we have received \$16,028.04 from pledges and fundraisers.

The current Capital Funds savings account balance is \$10,270.12. We have spent \$5,757.92 to replace two furnaces that failed this past winter. One furnace served Fellowship Hall and the other Donna's office and the library. Two additional furnaces serving the Nursery area and the entry area have tested to have high levels of carbon monoxide emissions and should be replaced prior to the next heating season at a cost of \$5,000 for both.

The Board of Trustees has determined that replacing the insulation on the duct work of the two aging outside HVAC units that service the Sanctuary would not be a practical solution and would be a waste of money at this time. The furnaces are 20+ years old and when they fail, new duct work/insulation will be required. We have been working with mechanical contractors to get cost estimates to replace all of the aging furnaces and air conditioning units. There are a total of six furnaces and six air conditioning units along with two large outside HVAC units in the building. The Board of Trustees will provide an update on our mechanical equipment at the next annual meeting on January 19, 2020. If you have any questions or concerns, please contact a member of the Board of Trustees: Jere Marheine, Tom Stelling, Ron Blaschuk or John Lui.

If you have not yet pledged to the Capital Campaign, please speak to our Financial Secretary, Laurie Buckett and get a pledge card. Electronic giving is available for the Campaign. Giving to the Campaign is also possible without pledging. Please make sure to mark your check/envelope for the Capital Campaign.

### Ladies' Fellowship

The next meeting of the group will be Tuesday, October 8 from 1-3 PM in fellowship hall. ALL LADIES of the congregation are invited to attend! Mary and Nancy Edwards will be the hostesses for the

October meeting.

The group will be providing a lunch counter at the November 2<sup>nd</sup> Vendor/Craft Fair as well as an assortment of bakery for sale.

## Singing Bowl for October

Our October loose change offerings will continue to go to Together Rising, an organization that provides children who are being detained with short term emergency relief, and long-term legal accountability to end this disaster. It is a

solid charity, and the timing could not be better. Every dollar donated goes directly to the on-site helpers. Together Rising focuses on donations of \$25 or less because they believe that it is small amounts from lots of people that are the way to change. You can learn more about them at [togetherrising.org](http://togetherrising.org)

## MISSIONS OF EMMANUEL

### Coming Events:

**October 20 – 27** Hosting Family Promise. Watch for the Sign-Up Genius message in your e-mail, from Sue Stelling and Charlotte Voigt regarding an opportunity to volunteer to take a shift or two during our rotation. What a great way to help some homeless families.

**On October 25th, Family Promise National and Family Promise Affiliates across the country will be joining forces for the first Family Promise Giving Day.** Your donation will go towards changing the future for 1 Million children by 2030. The impact of homelessness for children extends far beyond a lack of housing. They are 8-9 times more likely to repeat a grade, 3 times more likely to be placed in special education programs, and 7 times more likely to commit suicide. **We are calling on you to join our team as we work to make this crisis more visible in our communities.**

**October 25, Open House at the Family Promise Day Center in Wales, 3:30 – 7:30 P.M. This will commemorate Family Promise's 5<sup>th</sup> birthday.**

In early November 2014, Family Promise of Waukesha County opened its doors to our first guest family. We have been operating 24/7 ever since that cold November morning and our fifth birthday is fast approaching! By the time November rolls around, we'll have taken in over 100 local homeless families with children. Fifty families will have been placed in their own fully furnished apartment and more than ninety percent of our placed families will have been able to keep their homes. This great success is due to the incredible volunteers, donors, and employees who have contributed thousands upon thousands of meals, hours, and donations of cash, supplies and furniture. Anyone interested in celebrating with us or wanting to learn more about the program is welcome to stop at the Day Center, 543 AJ Allen Circle, Suite D, Wales.

There will be tasty refreshments, lively conversation and several information stations summarizing where we've been, how we got there and where we're going.

## KIDS

**Mark your calendars!** ALL GOD'S CRITTERS DAY will be Sunday, October 27... come to church dressed up to represent one of God's many creations!

### Precious Metals: aluminum (cans and other), brass, copper

Place your donations (in plastic bags) in front of the garage. Ron Blaschuk and Tom Stelling are kind enough to take them in for recycling, which benefits Emmanuel.

## Foyer Collections

The kiosk in the church foyer has drawers labeled for different things we collect on an ongoing basis. It's a great way to get rid of unneeded items and help out at the same time:

- Grocery receipts from Albrecht's Sentry store in Delafield. We receive a rebate of the total receipts we submit. Those rebates help our bottom line!
- Empty printer ink cartridges are turned in at Office Max to earn credit for Emmanuel purchases.
- First Aid items/new toothbrushes/OTC pain meds (unopened) are given to the Free Clinic in Oconomowoc.
- Used cellphones and chargers are sold on eBay with proceeds benefiting our bottom line.
- Used eye glasses are given to the Dousman Lions Club: throughout the year, Lions, Leos and other volunteers collect used eyeglasses and deliver them to regional Lions Eyeglass Recycling Centers (LERCs). LERC volunteers clean, sort by prescription strength and package the glasses. Recycled glasses are distributed to people in need in low and middle income communities where they will have the greatest impact.

Also located in the foyer is our Food Pantry Bin. The first Sunday of each month is the designated day to bring donations of non-perishables & paper products for the Kettle Moraine Food Pantry. THANK YOU to Sharon Perez who faithfully loads your donations into her vehicle each month and takes them to the Pantry.
