## Keeping Time.

I don't know about you, but I have constantly been forgetting what day of the week it is. Without some of the rituals of our daily and weekly routines, it's hard to keep track of what time of day it is, let alone what day of the week it is.

I know some of you have come up with your own regular activities: afternoon walks, making meals, weekly phone calls with family and friends. We have created rituals where there had not been any because we need them. The Harvard Business Review posted an article on rituals, coming to the same conclusion that Religious people, including Christians, came to centuries ago.

There is a deep wellspring of ancient wisdom that we are able to access even today. Within the Psalms, you'll find the lifting up of prayer and worship of God in the morning and noonday and night. The ancient monastics keep the hours of prayer. Their day was not marked by numbers on a clock but by moments or prayer. I don't know about you, but clock numbers mean almost nothing to me these days and so easily work time can absorb my whole day to the neglect of my family and self.

What if we tapped into this ancient wisdom of Praying the Hours? Marking our time by moments of prayer throughout the day. Set reminders, toll a bell, set aside a few moments each day for Sabbath. (There are some resources below)

One counter-intuitive truth about those who chose to enter into cloister--monks, nuns, and others who entered isolation for prayer--they were more connected to the world, their prayer life for the communities beyond their walls just might have sustained their neighbors. Just because we are not in the world, does not mean we don't hold the world in prayer.

And maybe we can frame our staying home and isolation not as a trial that must be endured, but a fast that we offer to God. God says through the prophet Isaiah 58:6, "Is not this the fast that I choose: to lose the bonds of injustice, to undo the thongs of the yoke, to let the oppressed go free, and to break every yoke?" We stay home so that the most vulnerable might stay safe. We stay home as an act of devotion and worship to our God who calls us to love our neighbor, all our neighbors, as ourselves.

Remember, you are not alone. Your Emmanuel family is here with you and for you. You have a great cloud of witnesses who left examples of how to not just survive such times, but to live life abundantly.

**Strengthen the Church our second offering in our 5 for 5 giving.**

This offering supports the expansion of ministry and growth of UCC local congregations.

Your support of this offering will help the UCC start new churches, awaken new ideas in existing churches, and develop the spiritual life in our youth and young adults.

Please go to [UCC.org/stc/](http://UCC.org/stc/) to donate directly.

Thank you,  
Board of Stewards

Our church, as one of 28 host congregations, has provided shelter and meals to families in need through Family Promise of Waukesha County. But now due to Coronavirus concerns, we and

other churches can no longer safely provide our church as shelter, and this has presented new challenges for the non-profit at a time when there is more need than ever.

In response to the Coronavirus pandemic, Family Promise of Waukesha County has begun accepting donations for an Emergency Relief Fund that will focus on homelessness prevention and shelter. They are doing what they can to help families shelter in place by providing funds for rent, mortgage payments or utility assistance. With our economy in free-fall, many young families are finding their hours cut or jobs no longer considered essential. This has put more families in real danger of becoming homeless.

Please continue to save your loose change for the Singing Bowl donations to Family Promise. When we can all get back together again to worship, it would be great to hear that singing bowl really sing with donated coins. Thank you for your continued thoughtful generosity.

## MISSIONS OF EMMANUEL

We have not been accepting families into the program since the churches have suspended attendance in the church buildings due to the pandemic.

**Question:** How has Family Promise answered the need of those who are homeless or on the verge of homelessness?

**Answer:** We created a Homelessness Prevention Fund. Family Promise of Waukesha County is now accepting applications from families with children who need assistance in paying their rent/mortgage or utility bills. From the generous support of the Oconomowoc Area Foundation, Otto Bremer Foundation, the Friends of Nashotah and many individual donors; Family Promise created this fund. This project was begun in response to the COVID-19 pandemic. The goal is to help families who are unable to pay their mortgage, rent or utilities due to losing a job, reduced hours or being furloughed to remain in their homes. While there is currently a suspension of foreclosures and evictions in Wisconsin, families are encouraged to pay their bills in a timely manner. One does not know what will occur at the end of this moratorium. Getting behind on payments can become a situation a family cannot escape.

Please help us spread the word to those in need and to those who would like to help a family avoid the chaos of homelessness.

Individuals who are seeking assistance need to fill out an application which can be found at:

[www.familypromisewaukesha.org/prevention](http://www.familypromisewaukesha.org/prevention) .

If you have questions go to [info@familypromisewaukesha.org](mailto:info@familypromisewaukesha.org)

If you wish to support families in need go to: [www.familypromisewaukesha.org/donate](http://www.familypromisewaukesha.org/donate)

We had a full slate of volunteers for the scheduled, then cancelled, April rotation. We thank you. Stay safe!

**Virtual Sunday School Classes are being prepared by Kristen Voskuil each week...check the church's Facebook Page and Youtube channel.**

This was shared on Facebook by Sandy Jarrett (she is not the author).

For weeks I have heard people saying "I just can't wait for things to be back to normal." I remember even saying that a few times myself. But as I've thought about our current situation I have realized how much I don't want things to go back to the way they were. Here are a few of thoughts...

1. I pray that the next time a friend grabs me and pulls me in for a hug, I actually take the time to appreciate the gift of their embrace.
2. I pray that when school resumes and you are dropping your kids off, you take the time to thank the staff for the amazing gift that they give to your family.
3. I pray that the next time I'm sitting in a crowded restaurant I take the time to look around at the smiling faces, loud voices and thank God for the gift of community.
4. I pray that the next time I'm standing in church listening to the voices of praise and taking communion that I take a moment to thank God for the gift of congregation.
5. I pray that the next time I see a person or situation that needs prayer, I hope I pray as passionately and fervently as I have these past few weeks.
6. I pray that when I am at the grocery store that I take a moment to thank God that He provides us with the necessities of life and the amazing people who work so hard to keep us supplied.
7. I pray that I never again take for granted the ability to hop in the car and visit a friend, go to the mall, take my kids to a movie, etc.

So, truth is, I don't want things to return to the way they once were. I pray that we take the lessons and challenges of the past few weeks and create a new normal. My goal is to pray more, love harder, and truly appreciate the daily abundance of blessings that were so easily overlooked just a mere few weeks ago. If someone tells you they love you, take it to heart.

**THANK YOU for your ongoing support!**

our P.O. Box address: Emmanuel UCC, P.O. Box 216, Dousman 53118. THANK YOU!!

All thermostats have been turned down to 50 degrees in the building and Trustees has organized a daily building check. The Summit Police Department is also doing additional patrols to keep everything safe while we are working and operating off-site.

Our church leaders are doing everything possible to reduce our monthly overhead; however, payroll, insurance, utility bills, etc. continue so we TRULY APPRECIATE everyone who is continuing to support Emmanuel financially. Donations may be sent to

### SCRIP Program Update...

We are suspending the program for the immediate future. Will update you when we resume taking orders. Thank you for your patience!

THANK YOU to all who regularly leave bags of aluminum cans and other precious metals outside the garage door. A reminder to everyone, our recycling of these Precious Metals helps Emmanuel's bottom line, so please save them, bag them up and leave them by the garage service door. Thank you to Ron Blaschuk and Tom Stelling for taking them to the recycling center throughout the year.

### While we're apart...

To say it's been a crazy past month, is an understatement- from Council voting to offer an Interim Pastor Contract to Leanne Rose in February, to her starting date of March 16, to the State and Country being virtually shut down immediately thereafter...wow...what a way to start a new 'job.'

Jim Langreder and I talked recently and agreed that had Jeannie, himself and I been in the position to have to switch our weekly Worship to virtual platforms, it would not have been pretty.

I cannot even imagine how difficult it is for Pastor Leanne to 'pastor' a church when she has not even had the opportunity to meet most of its members.

From the standpoint of the church family, I can imagine that 'attending Worship' is a very different experience without the personal connection of being together and not knowing the person talking to you each week.

My advice...stay calm, appreciate that we have Pastor Leanne who is able to create these Worship experiences for us and know that one day soon we WILL be back together with a greater appreciation of our fellow church family members.

Missing you all,  
 Donna Newland

# How the Virus Stole Easter

by Kristi Bothur (This Side of Heaven)

With a nod, and thanks, to Dr. Seuss. ☐

Twas late in '19 when the virus began,  
Bringing chaos and fear to all people, each land.

People were sick, hospitals full,  
Doctors overwhelmed, no one in school.

As winter gave way to the promise of spring,  
The virus raged on, touching peasant and king.

People hid in their homes from the enemy unseen.  
They YouTubed and Zoomed, social-distanced, and cleaned.

April approached and churches were closed.  
"There won't be an Easter," the world supposed.

"There won't be church services, and egg hunts are out.  
No reason for new dresses when we can't go about."

Holy Week started, as bleak as the rest.  
The world was focused on masks and on tests.

"Easter can't happen this year," they proclaimed.  
"Online and at home, it just won't be the same."

Maundy Thursday, Good Friday, the days came and went.  
The virus pressed on; it just would not relent.

The world woke Sunday and nothing had changed.  
The virus still menaced, the people, estranged.

"Pooh pooh to the saints," the world was grumbling.  
"They're finding out now that no Easter is coming.

"They're just waking up! I know just what they'll do!  
Their mouths will hang open a minute or two,  
And then all the saints will all cry boo-hoo.

"That noise," said the world, "would be something to hear."  
So it paused and the world put a hand to its ear.

And it did hear a sound coming through all the skies.  
It started down low, then it started to rise.

But the sound wasn't depressed.  
Why, this sound was triumphant!  
It couldn't be so!  
But it grew with abundance!

The world stared around, popping its eyes. Then it shook!  
What it saw was a shocking surprise!

Each saint in each nation, the tall and the small,  
Was celebrating Jesus in spite of it all!

It hadn't stopped Easter from coming! It came!  
Somehow or other, it came just the same!

And the world with its life quite stuck in quarantine  
Stood puzzling and puzzling.  
"Just how can it be?"

"It came without bonnets, it came without bunnies,  
It came without egg hunts, cantatas, or money."

Then the world thought of something it hadn't before.  
"Maybe Easter," it thought, "doesn't come from a store.  
Maybe Easter, perhaps, means a little bit more."

And what happened then?  
Well....the story's not done.  
What will YOU do?  
Will you share with that one  
Or two or more people needing hope in this night?  
Will you share of the source of your life in this fight?

The churches are empty - but so is the tomb,  
And Jesus is Victor over death, doom, and gloom.

So this year at Easter, let this be our prayer,  
As the virus still rages all around, everywhere.

May the world see hope when it looks at God's people.  
May the world see the Church is not a building or steeple.  
May the world find Faith in Jesus' death and resurrection,  
May the world find Joy in a time of dejection.  
May 2020 be known as the year of survival,  
But not only that -  
Let it start a revival.

Where the  
**SPIRIT OF THE LORD**  
is, there is freedom.

2 Corinthians 3:17, NRSV
