FROM  
**PASTOR LEANNE**

You are invited into a Season of Creation: "Jubilee for the Earth: New Rhythms, New Hope."

For several years now, Christians around the world have been participating in a Season of Creation—an intentional time of prayer, reflection, song, and worship to grow in love and appreciation of the Creator God and creation. Rivers, trees, ants, and deer were all made by God and declared good. The Season of Creation calls to me to remember the awe of a beautiful sunset, your first rainbow, a rabbit in your yard, and puppy snuggles.

But we also come into this time knowing that the earth is in a struggle, crisis, pain. While we celebrate the beauty of creation, do we recognize the pain? How do we advocate for creation's wellbeing? We have been called by God to be stewards and caretakers of creation. How do we practice living in community with all of creation, as a living example for our neighbors?

The Wisconsin UCC has invited us into a Kairos Moment. In the Bible, Kairos is a time of crisis and opportunity. We are going to take the time, to treasure what is and strive for what should be.

The United Church of Christ has been a leading voice of issues of Environmental Justice since the 1970's when toxic and banned chemicals were being dumped into the watershed of a predominantly black North Carolina town (issues of environment and race are often linked). So we take our place in a long line of UCCers, pastors and laypeople alike, to study, teach, discuss, discern, and advocate for creation. But this is also a celebration, a jubilee, a restoration, and a time of hope. And I hope you'll join us.

Our Season of Creation will end on October 4<sup>th</sup>, with a blessing of our animal friends and pets. Bring your pet to service that day!

Pastor Leanne

## Zoom Book Study Continues...

Wednesdays 7-8:30pm. Zoom Only.  
Meeting ID: **342 957 1341**  
Passcode: **9652429** (i.e. pastor's church phone number minus the hyphen) We're asking if you are able to purchase your book, to do so. It can be found at Books and Company for \$16.99.

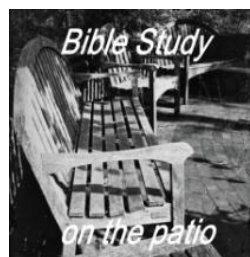

From the New York Times bestselling author of *An Altar in the World*, Barbara Brown Taylor's *Learning to Walk in the Dark* provides a way to find spirituality in those times when we don't have all the answers.

Taylor has become increasingly uncomfortable with our tendency to associate all that is good with lightness and all that is evil and dangerous with darkness. Doesn't God work in the nighttime as well? In *Learning to Walk in the Dark*, Taylor asks us to put aside our fears and anxieties and to explore all that God has to teach us "in the dark." She argues that we need to move away from our "solar spirituality" and ease our way into appreciating "lunar spirituality" (since, like the moon, our experience of the light waxes and wanes). Through darkness we find courage, we understand the world in new ways, and we feel God's presence around us, guiding us through things seen and unseen. Often, it is while we are in the dark that we grow the most.

With her characteristic charm and literary wisdom, Taylor is our guide through a spirituality of the nighttime, teaching us how to find our footing in times of uncertainty and giving us strength and hope to face all of life's challenging moments.

## Tuesday Morning Bible Study

Join us at 10:00 AM on the patio for lively conversation, a time of fellowship...and oh yes, sometimes even some "Bible talk!"

If you are continuing to maintain "safer at home," we appreciate your ongoing support. Donations may be sent to our P.O. Box address: Emmanuel UCC, P.O. Box 216, Dousman 53118. THANK YOU!!

**THANK YOU for your ongoing support!**

**Outreach & Mission**

have collected over \$2,000 for Family Promise to help their clients....way to go Emmanuel!!

## SINGING BOWL

Family Promise will continue to be our Singing Bowl mission in September. Charlotte Voigt reported at the August Council meeting that with our special collections and Singing Bowl, we

Our Singing Bowl for January, February and March this year went to the UCC's Justice & Local Church Ministries for Medical Debt Relief. A letter of thanks was received from the UCC for our \$388.07 contribution to this effort...THANK YOU ALL!

## FAMILY PROMISE

### We have a new home for our Day Center!

It is located in downtown Waukesha near affordable housing, day care and bus routes. Volunteers cleaned the building the first week in August and moved many boxes several weeks later. We are preparing this Day Center for Family Promise's daily work keeping people in their homes by assisting them with rent and delinquent utility bills. We are also directing some who have called, to more affordable housing, available jobs and resources that could be helpful to their situation. More than \$12,000 has been given out since the pandemic closed our churches, halting the rotation system we had in place for the homeless. Since May, Family Promise of Waukesha County has helped 14 families. Screening still is taking place to assure that the requests are legitimate. Money is given to landlords or the utility service that have not received due payments. Gift cards and baby supplies are given to the parents who qualify. Again, thank you for contributing over \$2000 to help those families in need.

### Golf Outing

First Congregational UCC of Oconomowoc held a golf outing in July. The proceeds of \$23,000 went to Family Promise. What a huge success and generous contribution this was!

### Help needed

- Family Promise is looking for an office manager who is competent in QuickBooks and Excel and has some experience with Customer Relationship Management software.
- Our new Day Center will be making some improvements to the building. Some of those projects involve plumbing, floor covering, woodworking, tuck pointing and preparing and painting a metal fire escape. If you or someone you know has skills related to these projects, please submit a bid by mid September.
- An apartment or house is needed to house a family for several months.

Contact Joe Nettesheim, Family Promise Director, 262-968-2321, or [director@familypromisewaukesha.org](mailto:director@familypromisewaukesha.org) for additional information on the items above. Thank you!

Charlotte Voigt & Sue Stelling, EUCC FP Volunteer Coordinators

## THANK YOU TO ALL INVOLVED!

Melanie Laur initiated a food/beverage/hygiene items collection for the large population of homeless people who live in parks in Waukesha, many of whom are Veterans. THANK YOU to Melanie, Mike, Mira & Maven for distributing the donations and to everyone who heard of the need and responded! Melanie will keep us informed about future needs and schedule for delivery to Waukesha...stay tuned.

## Kettle Moraine Food Pantry

Let's explore the idea of resuming our monthly collections for the Food Pantry...knowing that we will likely not be meeting 'live' when the weather turns, is this possible? Is it worth it to resume for the next couple of months and maybe devise a plan for collection if and when we need to go back to virtual worship?

If we do resume, we will need someone(s) willing to take our donations to the Food Pantry (see the July 6<sup>th</sup> Facebook post below). Sharon Perez has been our volunteer who collected the donations each month and took them to the bin at Pick n Save in Wales (THANK YOU Sharon for your years of service to this mission effort); however, she is no longer able to do it and as the post states, the bins are no longer in place, donations need to be taken directly to the Pantry.

We would appreciate your thoughts on this...please contact Donna, 262-965-4022 or [office@seeyouonsunday.org](mailto:office@seeyouonsunday.org) with your comments or to volunteer to take the donations in if we decide to resume collections.

Kettle Moraine Food Pantry

July 6 · 🌐

We are finally able to accept individual food donations. Here is how to donate:

1. Date check all of your items. We cannot take anything with a date earlier than 2020.
2. Drop your items at the pantry during operating hours:  
The first through fourth Tuesday, Thursday, or Saturday of the month except for holidays. We are open from 10-11 a.m.

This is the only process we have in place to accept food.

The barrels at Pick Save and Sentry have been removed as we do not have the volunteer capacity to collect, date check and transport the food.

Thank you!

Additional people are needed for the Sunday Worship Scripture Reading Team. Please contact Pastor Leanne to learn more and/or volunteer: [pastor@seeyouonsunday.org](mailto:pastor@seeyouonsunday.org) or 262-965-2429. You will have a dedicated microphone to use, so no worry about virus spread!

THANK YOU to all who regularly leave bags of aluminum cans and other precious metals outside the garage door. A reminder to everyone, our recycling of these Precious Metals helps Emmanuel's bottom line, so please save them, bag them up and leave them by the garage service door.

## OUR CONNECTIONAL CHURCH

For anyone who comes from a denomination other

than UCC, and even some who do, there is a question: Where is the church in the midst of these global crises? The answers: everywhere, right here, and at home.

The unusual thing about the UCC is the congregational system that doesn't have a "traditional" hierarchy of authority and power. We are decentralized which might make us look unorganized. I would like to propose a different interpretation. Some of us have gifts of advocacy, some community organizing, some informing and teaching, some action. And we need each of these gifts of the body.

Your state and national staff are often teaching and informing us. They remind us of issues that are important to our denomination like racial justice and climate and creation care. They are the ones who are able to tell us of good work that is being done across the country. Like Rev. Traci Blackmon who is the Associate General Minister of Justice & Local Church Ministries for The United Church of Christ and Senior Pastor of Christ The King United Church of Christ in Florissant, MO. She founded "Souls to the Polls" and continues to advocate and organize with the UCC's Our Faith, Our Vote campaign which advocates for faith informed and hope filled voting.

Plymouth Congregational Church in Lawrence, KS supported immigrant and refugees with a grant that included "A Mexican mother whose young child suffers from a serious illness and weakened immune system. 'She can't risk going out right now to work and bringing COVID-19 back. That could be fatal for the child.'"

The National Staff remind us to stand up for those who have no voice and those who society would rather ignore. This has included raising our voices for creation and climate change. The denomination has given churches, like us, a blueprint on how we can respond. And Blyth Barnow of Ohio and Rev. Erica Poellet of NY who are reminding us the people with addictions are God's children too, and churches need to make space for them, their families, and generous non-stigmatized welcome and community.

And during COVID-19 and responding to the murders of George Floyd and Brianna Taylor (and... and ... and...), the national church has been supporting, writing Bible studies and responses, and developing resources to support local churches. Bethel-Bethany Congregational in Milwaukee has been a central gathering and distributing site for Milwaukee's Community Care and Mutual Aid. The denomination developed a group study guide on White Privilege that lead many congregations through this idea for the first time with intention and depth. First Congregational, Platteville, WI, in response to their BLM sign on their church, received hateful, racist letters and Rev. Zanya Thompson reminded her community, and us, that these are the kinds of things churches of color have been dealing with for decades.

UCC members and clergy have been marching, advocating, teaching, preaching, and being allies for our Black, Indigenous, People of Color (BIPOC) siblings. This has included our own Ashley Kinney, many of you, and me.

Here's the thing about being congregational, it's all about being in this together. We believe that we are better and more powerful working together than on our own, and certainly more than allowing one leader or committee to do it all for us. This makes it confusing and amazing and something to celebrate. So let's celebrate your UCC siblings around our state and around our country and right down the road. We are, in fact, the church together.

To my Emmanuel Family,

Let me thank you for all the love and support you've  
given me as I pursued the new, non-traditional path to  
ordination. I loved serving you in Pastor Nansi's absences,  
and your allowing me to serve in this way lead to much  
personal growth.

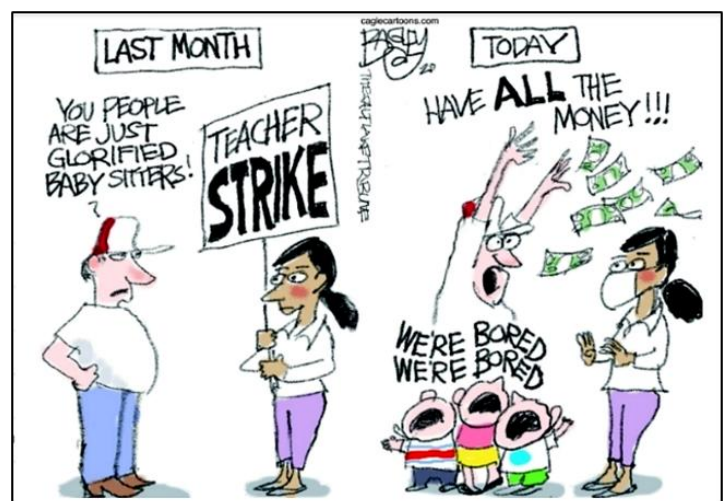

At this time, I am choosing not to continue with the  
ordination path. This has been a difficult decision, but  
with all the uncertainty in our world today, it feels like the  
right choice. I want you all to know that you've been an  
important part of my journey, and I will always treasure  
the support you gave me.

I will continue to be there for you, as you have been for  
me. That's what family is about. Thank you for letting me  
be part of yours.
