DECEMBER 2020

FROM  
**PASTOR LEANNE**

I have been thinking about our bodies. When we get sick or injured, how they fight to be well or whole. How we've been living in the midst of this pandemic, struggling to keep our bodies safe and to keep our neighbors safe. I've been thinking about what it means to live in my body, what it means to stay healthy, eat well, honor it, and how it feels when I don't. In the middle of a pandemic that affects how we take breath, where we go, and everything we touch, I've been thinking about our bodies.

We are been thinking about how important our bodies are. How they adjust when we are injured to continue to allow us to function, other muscles kick in, new neurons pathways are formed. Even as they are imperfect, they are miracles and they are important.

There are multitudes of ideas, concepts, beliefs, ways of being that we celebrate during Advent and Christmas. One of which is that God understood how important our bodies are, how important having form and touch and pain and pleasure were that God came in flesh and blood, tissues and neurons. God came as Jesus, lived among humanity, embodied.

I think that's part of what is making these days of quarantine so difficult, and what is going to make the holidays so difficult—we are embodied people who are created with the same desire for connection that lead God to come close and live among us, to engage in the tactile sensation of being part of creation. And we are living, in many ways, apart, disconnected, sometimes alone.

But we have a God who knows what it's like to be embodied, to have long nights alone with nothing but the desert for company, so exhausted not even a storm could keep sleep at bay, so grateful for touch without expectation that even a foot massage would do. Jesus, who lived in a body and understands why this season might be hard, because he's been there too.

May that give us hope, that our God knows what we are going through, knows our struggles, knows hopes, knows our joys, knows our sorrows. You are not alone this season, whether it is filled with joys or sorrows or, most likely, some combination. The God who comes near at Christmas is with you and so is your Emmanuel Church family.

Pastor Leanne

**Fall Pledge Drive**

As we approach the end of 2020 and reflect on all that has occurred in our world, both near and far, we need to believe that God is still with us. In times of uncertainty we seek Him. In times of good health and well being, we thank Him. In all our days He gives us strength and comfort. What a blessing!

The pandemic has affected all of us in different degrees. Some have been hit hard with the loss of a job, poor health or new stresses, while others find living with restrictions has been different, inconvenient and lonely. Where you are on this continuum will affect your ability to give back, this is understood. We do ask all of our members and friends to consider pledging something so that the missions of Emmanuel can continue. Please have your pledge card into the office before December 6. Later in the month the projected income from pledges will be reported to you. We are grateful for what you give to Emmanuel.

The Board of Stewards created a video featuring some of the activities and missions of our church. It can be found at: <https://youtu.be/xzYC0-8GH34>

Special thanks goes to Mark Thompson who edited, enhanced and published this unlisted video. **We ask that you do not share this on any of your personal social media accounts. It is for Emmanuel's use only. Thank you.**

**SPECIAL MISSION OFFERING**

They came when we needed them. They answered the phone when we called. They baptized and married and buried our loved ones. They gave up weekend after weekend to care for our spirits, lead us in worship, and point to God in our midst.

Some of them did it for less money than they could easily live on. They did this because of what they believe who God is, and what they believe about who we are.

For all the sacrifices that clergy and lay church workers have made in our congregations, the UCC Pension Board created the Christmas Fund for the Veterans of the Cross and the Emergency Fund, to help support them in retirement and during times of emergency need.

The Christmas Fund provides Supplementation of Small Annuities, Supplementation of Health Premiums, Emergency Grants, and Christmas "Thank You" Gift Checks for retirees and those facing unforeseen financial hardship.

Join with others in the UCC family to make "the light shine in the darkness" for those who have given so much to our church.

This special offering is taken on December 20. Please be generous when you mail in your gifts for The Christmas Fund. Please be sure to designate this fund on your check. Thank you.

We appreciate your ongoing support of Emmanuel's ministries. Donations may be sent to our P.O. Box address: Emmanuel UCC, P.O. Box 216, Dousman 53118. THANK YOU!!

**THANK YOU for your ongoing support!**

**Support Family Promise  
as our "Angel Tree" Project this year**

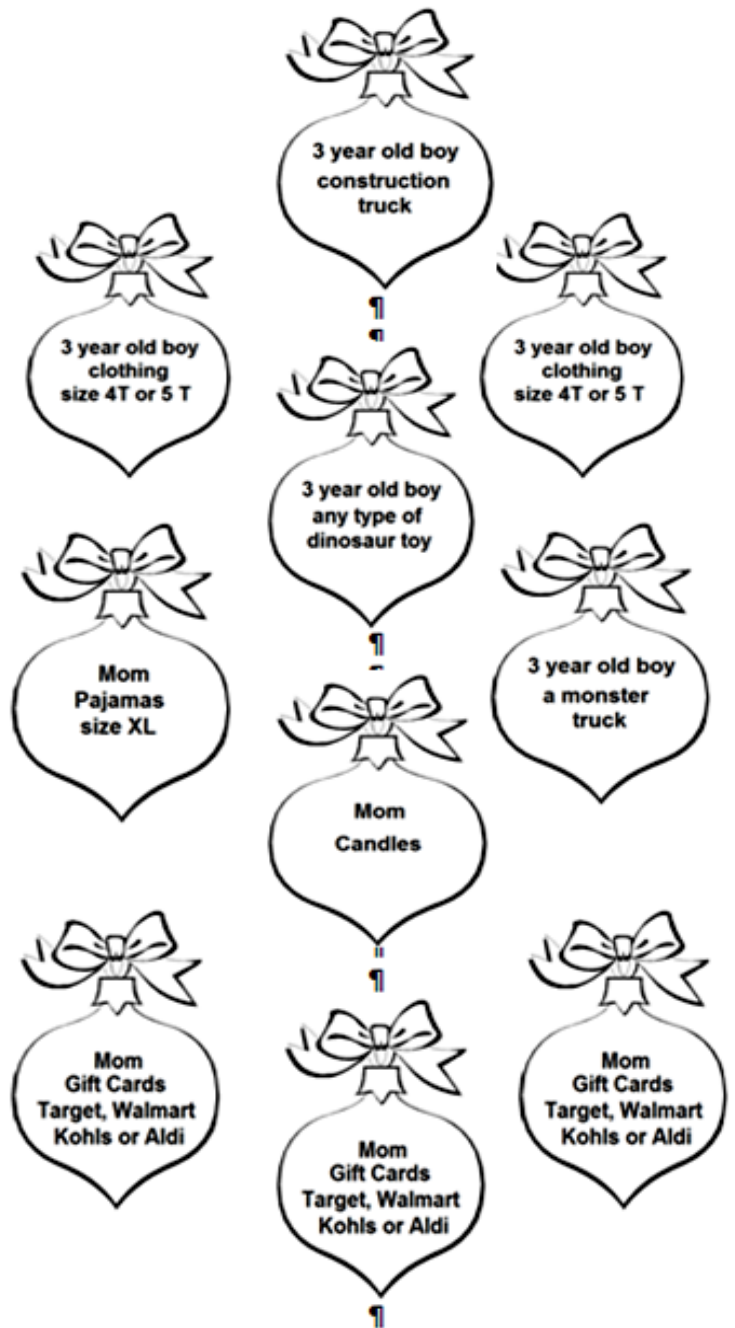

This year in addition to the Vet Bags, we would like to help a young family, being served through Family Promise, have a little brighter Christmas. In the next column, you will find images of ornaments, each containing a desired gift. Pick an ornament that you and your family wish to contribute to this Mom and three year old little boy. Email or call the church office and let Donna know your choice and she will earmark it for you (262-965-4022 or office@seeyouonsunday.org). Bring your UNWRAPPED gift or gift card to the church's main entry on Saturday, December 12 from 9:30 AM – 11:30 AM. If that date is not viable for you, you may bring them to the church during morning office hours (Monday-Thursday or on Sunday morning before December 13. If you have any questions, please contact Shirlene Hazelberg, 470-5907.

Also please consider during the holiday season to designate Family Promise of Waukesha County as a charitable recipient of your Amazon purchases. If you use Amazon Smile, and choose FP of Waukesha County, a percent of your purchases will be donated to help our local program.

In addition FP has received a \$10,000 grant from Help Us Move In (HUMI). One of the conditions is to match the grant and already three companies have donated \$5,000.

FP has designated Giving Tuesday, December 1, as a day to match this grant.

Thank you for any support you can give our homeless families.

Vet Bag collection will also be on Saturday, December 12 at the main entrance from 9:30-11:30 AM. You may also drop them off during church office hours (Monday-Thursday mornings) or on a Sunday morning before December 13 if you are unable to make the December 12 collection day.

If you have any questions, speak to Shirlene Hazelberg 262-470-5907 or Sandie Horne 262-367-7591. Thanks again for your support.

**SINGING BOWL**

We will continue to support Family Promise with our Singing Bowl donations through the remainder of 2020. We invite you to mail in your donations to the

Singing Bowl: Emmanuel UCC, PO Box 216, Dousman, WI 53118. Please mark your donation "Singing Bowl." Thank you!

With these less than usual times, Advent will look a bit different, however, we'll still be gathering, even if it is online.

You're invited to make your own Advent Wreath and light your candles with us each Sunday morning.

Every household will receive an Advent card, inviting you to reflect, pray, and act in new ways during this season.

Each Sunday School Family will receive an Advent bag,

On Wednesdays, we'll post music and readings.

On December 16<sup>th</sup>, we'll meet on Zoom for Blue Christmas—a service of grief and remembrance.

And on Christmas Eve (December 24<sup>th</sup>), we'll post a service of reading, song, and reflection. AND at our traditional service time of 5pm, we'll gathering in parking lot, again, to physically distant sing a couple of carols and light candles together. If you are able, please bring your own candles from home.

## IMPORTANT INFORMATION ABOUT PRECIOUS METALS COLLECTION

Two large black garbage containers have been placed on either side of the bench at the main entrance to collect aluminum cans once the snow starts to fall. We have changed our plowing contract so that only the far east portion of the parking lot along with the driveways will be plowed this winter. This will save us quite a bit of money. Thank you.

### Note on Worship

Your Emmanuel Council continues to remain committed to the health and wellbeing of all our members and staff. As both the news, and recent sicknesses within the congregations have reminded us, COVID continues to be a highly infectious illness with widely varying levels of illness.

With all that being said, the end of November moving into December, worship will be an online only format until further notice. The decision to return to an in-person worship will be done at the Council level in consideration of information from the CDC, Wisconsin Health Department, and the Wisconsin Council of Churches.

"But Pastor! XYZ Church is meeting in person!" We don't make this decision lightly. The Council would love to be meeting in person, would love to see your face smiling face every week, but first we want you to be safe and we cannot assure that at this time. We are called to love our neighbor, to love those who are on the margins, who are at risk of falling through the cracks. We continue to do that by staying home and staying safe.

The church is not "closed." We are the church! We are continuing to serve each other and our communities. Please note all the ways to give if you are able!

We will return to our Zoom Coffee Hours after service so we can connect even as the days get colder! Stay safe Church! And we'll see you Sunday, even if it is on Zoom!
