FROM
PASTOR LEANNE

'Tis the season, and the seasons are indeed changing. We have much we're going to be grieving this year, much that will be different, despite the turning of the calendar and chilling of our the weather. This year, maybe we won't have the same family gatherings or maybe they'll be smaller. This year, maybe we won't be traveling to warmer weather or to see children, grandchildren, parents, grandparents. This year, maybe the traditions we have built will have to be put on hold. And it's hard and sad and confusing for us and our children.

This year, we'll have to let some things go, at least for this year. But maybe there are new traditions that we can create. There might be traditions that we start because everything looks so different, traditions that are rooted in our homes, that might bring us more joy than stress, that we can share together even if we're at a distance. Participating in or creating rituals helps us mark time, connects us to each other, and roots us in what is holy and sacred.

What are you grateful for this year? This month, between now and Thanksgiving, write down something every day that you're grateful for: the sun that pokes through, the last warm day, the laughter of children or grandchildren, a call from a friend, the squirrels that play outside your window. Place each gratitude in a jar and read them on Thanksgiving with your family, or on any day you need a reminder that there is always something to be grateful for.

Maybe we can't worship together in the sanctuary, but we will continue to worship together. Make your own advent wreath. Any candle, electric tea lights, or toilet paper roll and construction paper made into a candle will do; evergreen boughs, paper plate and paint, or tissue paper can make a wreath. With found objects we can join together in lighting our candles, each in our own homes but still connected.

It's going to look different, it doesn't mean it's bad. Change is part of living on this earth and sometimes unusual times give us the opportunity to be creative, to find new rituals that might bring life, and root us in what is important--even as life changes.

FAMILY PROMISE

Winter Clothing Drive

A cold and windy Saturday did not deter many Family Promise churches from delivering over 30 boxes and bags of winter clothing items to the drop-off point at Emmanuel's parking lot. Our support church, St. Mary's Episcopal, was among them but they went a step further and collected over \$1000 in cash and gift cards. Even though we do not have families staying overnight at our thirteen host churches, Family Promise has qualified several families whose needs can be met through your generosity. Thank you! These same families will need additional help during the Christmas season. Specific information regarding how to support them will follow.

Thank you for your donation of \$341.42 via Check received on 9/22/20. Your generosity is deeply appreciated. Covid-19 has made the past few months challenging for so many. Millions have lost their jobs or placed on furlough because of the pandemic. We are so grateful that Family Promise of Waukesha County has been able to provide rent and utility assistance as well as support families with transportation. All families we have helped through our prevention program remain in their homes. Recently, we helped pay for a single mom to have her car repaired. This allowed her to move herself and two children to a better living environment. Without our help she would have had to use her security deposit to pay for the car repair. Her family would have had to remain in a place that was not quite suitable for them. Without a dependable car it is also possible she could have lost her job. With this help she continues in a positive direction. This is because of you!

Family Promise of Waukesha County has been going through our own transition as well. We moved from the Day Center in Wales to a building we purchased in Waukesha. The Day Center is now located at 139 E. North Street, Waukesha, WI 53188. The change in location will provide the families we serve access to public transportation. This will open more options for employment, affordable housing, and access to childcare and other social service agencies. We see many options to expand and improve the services we offer. We are excited for the future.

Thank you for being a part of the Family Promise of Waukesha County. With your help we are helping families to gain and retain their independence.

Best Regards,

Joe Nettesheim

THANK YOU for your ongoing support!

As you have read in the Council Update, it has been decided that once we are unable to meet for worship outside, our services will be online only. Information being provided by the Wisconsin Council of Churches, our WI UCC Conference and the CDC highly recommend staying away from in-person gatherings. Peggy Hazelberg has been a wonderful source of 'insider' information on the virus. This comes from Peggy:

Hello,

As some of you know, I am a clinic nurse with ProHealth Care and also involved in other entities within ProHealth. My recommendation to the Council at the October meeting was to keep the church services to either outside or virtual. Obviously the weather is getting colder and colder and outside is becoming less of an option.

Even if we as a church decided to bring everyone inside the building for service with social distancing and masks in place, there is still a risk to our beloved members. I have personally seen patients that have gotten Covid-19 at church with those guidelines in place. I have seen the most healthiest people get so sick with Covid-19 where they are unable to breathe and passing out. Our State is at a turning point, either we start isolating and wearing masks when we have to go out or we will have a devastating outcome where all our families will be touched. I have friends that have already lost loved ones due to this horrible virus. Our hospitals in Wisconsin are filling up and though right now we are able to manage the load, there is a high probability we will not be able to in the near future.

I am not saying all this to scare you but I want you to know that I am very nervous for our State. Please limit your socializing, wear masks when inside with people outside of your small group you live with. If you don't need to go out, don't. I care about all of you so much and want you all to continue to be safe.

If you have any ideas regarding ways we can stay connected via virtual opportunities, please email me or Pastor Leanne, or Donna. We do have some fun ideas already in the works but welcome any thoughts and ideas. I am praying for all of you and your families.

Love and virtual hugs,
Peggy

Our Holiday Shopping Delight event is going virtual this year. That's right! There's no need to stress about holiday shopping and going out to the stores. Please join us on Facebook as we support our local crafters and independent businesses, November 6th-8th. Browse through a variety of great gift options. This event is free and open to the greater community. Help us spread the word and invite your friends and family. We are disappointed that we are not able to gather together in-person this year and are thankful for the opportunity to offer the talented folks who joined us last year an alternative.

How Can You Show Your Support?

- Create a Facebook Account
- Join the Holiday Shopping Delight Event
- Share the event on your Facebook Page
- Send event invites to your friends and Facebook contacts
- Participate in the event by liking and commenting on the posts and pictures. Interact with the posts frequently and throughout the weekend. The more interaction a post has the more the visible it is to others participating in the event.
- Purchase a gift or item
- No Facebook Account? No worries! You can still spread the word.

Thank you for your help. We hope to see you there!

Kettle Moraine Food Pantry

Our next Food Pantry donation day will be Sunday, November 1, however, feel free to drop off donations at any time in the bin located in the foyer. On specified Donation Days, the bin will be outside the main entry, provided we're meeting for parking lot worship. We hope to continue collecting donations once we are not able to meet in person. Feel free to drop off donations when it's convenient for you. The church office hours are Monday-Thursday 7:30 AM-12 PM.

Special for the upcoming Holiday Season...

Join Pastor Leanne on Emmanuel's Facebook page on **November 25th at 7:00 PM** for A Moment of Thanksgiving.

December 16th at 7:00 PM on Emmanuel's Facebook page: Blue Christmas Service: Sometimes Christmas comes with grief and many of us are grieving this year. This is a service to name the blues in the middle of this season.

Fall Pledge Drive

As we start our pledge drive for 2021 one cannot help but reflect on the challenge that 2020 has proven to be. Normally, we would have had plenty of opportunities to participate in activities that involve working, learning, praying and singing together as well as helping others in need. Shortly after welcoming Leanne Rose, our interim minister, we needed to isolate from each other. At first, many programs ceased. Slowly and carefully adjustments were made so we could worship together and resume church activities. One could feel the joy surrounding us as we reunited if only in the parking lot, while wearing masks and keeping our social distance. Some of our members were not able to join us but they were in our thoughts and prayers.

It is apparent that the restrictions from this year will be following us into 2021. We still might not be able to see some members and friends of Emmanuel. Some programs will only be on Zoom or still have restrictions. Yet, we will be in operation with services, music and information flowing from the staff. To continue our work in 2021 requires a pledge commitment from you to help us maintain financial stability. Mid November, you will be receiving, via e-mail or postal mail, a letter and pledge card that the Board of Stewards asks you to complete. It is our hope that you will consider the blessings you have received from God and, in a spirit of gratitude, want to share those gifts. Please return your 2021 pledge card by December 6. Thank you.

Explanation of the three collection categories on the Pledge Card:

This Christmas, Social Concerns would like to again support homeless Veterans through the Zablocki VA Hospital by providing some basic life supplies and a note of encouragement for them.

Chaplain Dan from the VA Hospital works with Veterans in the program for six months to a year with the goal to get the Veterans back into society and productive. Our donations can help them in a small way to regain their self-worth and sense of well-being. Our Congregation has been very generous in the past.

Starting on November 15, and continuing for the next three Sundays, we will have Bags available for members to fill at our Sunday service. They can be returned to church by Sunday, **December 13**. This is assuming we will be having parking lot services on those Sundays, which will very likely not be the case. In that event, you may stop by the church to pick up a bag (or drop off a completed bag) Monday-Thursday from 7:30 AM-Noon. If this is not convenient, let us know and we'll make arrangements. Stapled to each Vet Bag will be a tag for either a Male or Female, and has a list of suggested gifts. NO ITEMS ARE TO CONTAIN ALCOHOL (This can apply to mouthwash, aftershave, colognes, etc.).

If you would like to donate money towards supplies, there will be a collection container near the bags or you can send your donation to church, and we'll be happy to do the shopping for you.

If you are sending in money for this project, please make your check out to Emmanuel UCC and mark "Vet Bags" on the memo line. Mail to Emmanuel UCC, PO Box 216, Dousman, WI 53118.

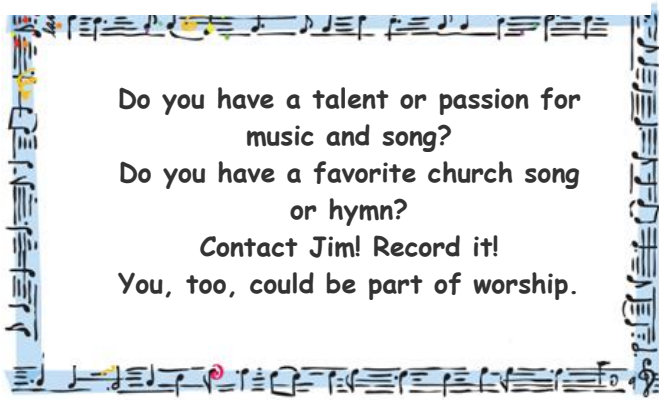

If you have any questions, speak to Shirlene Hazelberg 262-470-5907 or Sandie Horne 262-367-7591. Thanks again for your support.

Council Meeting Highlights:

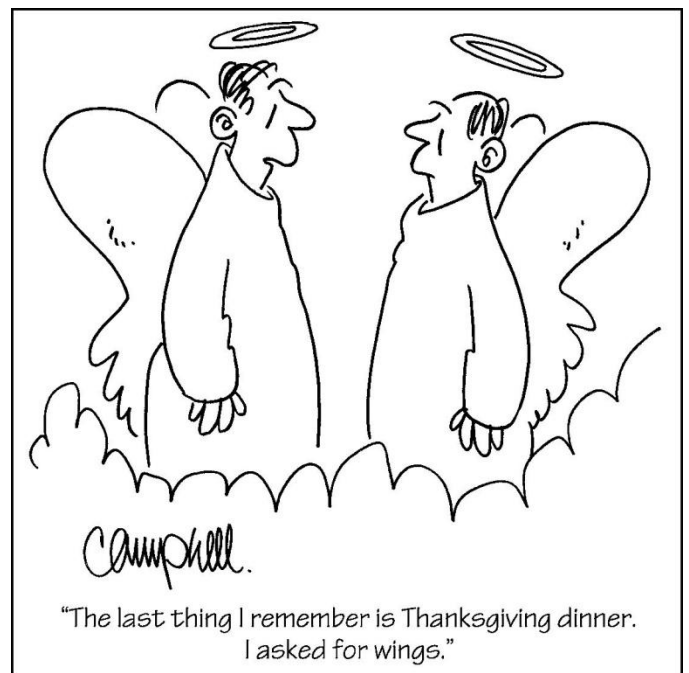

- **11 members attended the October 11th Council meeting.**
- **Treasurer's report:**
 - Our RBC investments lost \$3,495.56 in September.
 - The Treasurers will begin paying bills online rather than mailing checks.
- **Pastor Leanne's report:**
 - Worship attendance remains good.
 - New Book Study will be held in person and via Zoom on Oct. 21 and 28.
- **Board reports:**
 - **Christian Education:** Outdoor Sunday School will continue as long as outdoor worship is being held. Plans are being made for offering home-based activities. All Critters Day tentatively scheduled for Oct. 25.
 - **Stewards:** The Board members have been calling all of the members just to check in to see how they are doing. Working on the fall pledge drive: preparing for mission moments and what communication methods will be used to get letters, information and pledge cards into the congregations hands.
 - **Social Concerns:** \$24.83 was collected in the Singing Bowl for Family Promise in September. Discussed the annual Vet Bag project- Discussed how we will do the Angel Tree this year: perhaps encouraging congregants to sponsor a Family Promise family for a \$25 donation rather than purchasing gifts.
 - **Trustees:** The operating budget for 2021 is nearing completion. New parking lot light bulbs have been installed. Tom Stelling and Ron Blaschuk have completed repairs on the front sign. Outdoor clean up has been scheduled.
- **Reopening the church for in-person Worship:** With the huge surge in COVID cases in Wisconsin, Council feels it would be irresponsible to reopen for in-person Worship once the weather is unsuitable for outdoor gatherings. Sunday services will be available on Facebook and YouTube. Conversation will take place on offering some sort of brief in-person gathering for Christmas Eve in the parking lot, weather permitting. At this time, it looks like we will not think of having indoor services until at least spring.
- **Pastoral Search:** The Communication Surveys have been turned in and the Transition Team is moving forward with developing questions for the congregants to aid in creating the Church Profile.
- **Pastor Leanne's Performance Review:** Each Council member shared their thoughts while Pastor Leanne stepped away from the meeting. All comments were very positive in nature. The Council shared this information with Pastor Leanne once the review was completed.
- **Virtual Craft Fair:** an online Craft Fair will be held on Nov. 6-8. The crafters who participated in our 2019 event have been invited to participate as a goodwill gesture to secure them for a future EUCC craft fair. This is not a EUCC fundraiser.
- **Next Council meeting will be Sunday, November 8 at 10:30 AM.**

THANK YOU to all who regularly leave bags of aluminum cans and other precious metals outside the garage door. A reminder to everyone, our recycling of these Precious Metals helps Emmanuel's bottom line, so please save them, bag them up and leave them by the garage service door. WHEN THE SNOW STARTS TO FLY, please leave your bags to the left of the garage off of the parking lot so the plow doesn't carry them away...thank you!
