Resurrection

Easter is rarely seen with the same excitement as Christmas. Rarely do we spend much time planning for work and family events with those we haven't seen in a year at Easter. What Christmas and Easter give us is hope. Hope that God is present with us in Christmas and in Easter, hope in the resurrection

Here's the thing about Resurrection. It really was a one-time event to be present at the Resurrection of Jesus and it gives us the hope that even in death, it is not the end. We trust that when Jesus said, you'll be with me in Paradise, that it was for us, too, that we will return to God. But it's more than that.

Resurrection is a way of life, a way of looking at the world, a way of living in hope today. There are all kinds of deaths or endings, all kinds of things in our lives that cause us grief and pain. Jobs discontinue, relationships end, loved ones move away, dreams don't become realities, and a 100 other ways that we experience deaths every day. It might have been a year of losses or a lifetime. But resurrection was not a moment, it's who we are. It's hope that even in the darkest moments, even in times when it seems all hope is lost, even when we are full of grief, even as struggles go on and on, even in the midst of loss there is hope. It's not the end. Trees bud again, flowers bloom, the earth reminds us every year that death is not the end, that this moment shall pass into the next, that hope is not lost.

Resurrection is a way of seeing the world, a way of living, a way of hope in the midst of everything that is happening. Resurrection is knowing that things won't always be like this, that there is new life and there is new hope. Resurrection is not a moment but a process, learning to see God, learning to trust that God is renewing the face of the earth and each of our lives.

May you see resurrection around you this time of year, may you be renewed by the God of love who makes all things new.

An Update on Family Promise...

Family Promise National has established an exciting new partnership with Ikea who will be providing support of \$150,000 to help at least 30 Family Promise local Affiliates establish or expand their homelessness prevention and stabilization services. An additional \$150,000 in-kind product donation is to be distributed throughout February and March 2021 to support upgrades to their day centers and permanent shelter sites at 10 local Affiliates. Family Promise of Waukesha County is blessed to be one of the Affiliates who will be receiving an in-kind donation to help remodel the new day center and residence in Waukesha. THANK YOU Ikea!

Connie Motelet thanks you for your kindness shown through sending cards and prayers following her recent hip replacement surgery. She is taking physical therapy but is back to work and doing well.

Carol Pfalz would like to thank everyone for their cards, prayers, calls for her recent diagnosis of breast cancer. It is so thoughtful and very much appreciated. Doing well and staying positive.

Gail & Sal Tamez's son, Andrew for whom we've been praying while he was stationed in Afghanistan, has returned home. They thank everyone for the prayers and well wishes.

Council Notes

Council met on Zoom on Sunday, March 21 with 12 participants.

- Kathy Zebrowski reported that our financial picture is remaining strong and she and Jeannie Phelan appreciate it very much since it makes their job of paying bills much easier.
- Our RBC investments increased by \$2,579.51 in February.
- Kristen Voskuil is continuing to make a Sunday School video each week which is emailed out to the congregation on Fridays. Thank you Kristen!
- Plans for Sunday School are on hold until we can resume meeting on a regular basis in the parking lot for outdoor worship.
- As it stands now, we are hoping to have a Rummage Sale in August (28th). We will; however, hold off on having people bring in donations until August.
- We have experienced a couple of issues with building/grounds concerns. One furnace recently malfunctioned and the septic alarm started acting up. No major repairs were required, but we are monitoring both.
- The online viewership of our worship services remains strong.
- Pastor Leanne is hoping to increase our visibility in the community by reinstating the coffeehouse conversations and starting a water and wine discussion group as well as a wine bar in Oconomowoc. Both would be a once a month event.
- Plans for small-group gatherings: Bible Study will resume after Easter and once we are able to meet in the parking lot for worship, Confirmation will move to in-person on Sundays, once a month after worship.
- Council approved the Church Profile which was created by the Transition Team as part of the pastoral search process. It now goes to the Conference for their stamp of approval. Once that is done, Council determines if Pastor Leanne is a viable candidate and she determines her level of interest. Before the Profile would be made public to other pastoral candidates, a Search Committee would have to be formed by Council.
- Council's next meeting will be Sunday, April 18 at 10:45 AM on Zoom

Where do we stand in the search for a new settled pastor?

Step 1 was to put together a team of people whose job it would be to create Emmanuel's Church Profile. This is a document that describes Emmanuel and includes data about our finances, history, vision, hopes and dreams. It is basically our church's resume. This team (Transition Team) was created by the Church Council last year. Through much research and a number of congregational surveys, the Team completed the Profile this month. Council reviewed it and approved it at their March 21st monthly meeting.

Step 2: The Profile will be sent to our WI Conference Minister for approval.

Step 3: Upon Conference approval, it will be reviewed once again by Council to determine if Pastor Leanne is a viable candidate based on the contents of the Profile. Pastor Leanne will also review it and determine if she is interested in being considered for the position.

Step 4: Council will determine whether they want the Profile to be sent out for public access (allowing other pastoral candidates to apply) or if they want to recommend Pastor Leanne for the position without making it public, assuming both Council and Pastor Leanne are in agreement. If it is decided that the Profile should be made public, Council will form a Pastoral Search Committee and the Profile will be made public for other pastoral candidates, along with Pastor Leanne to apply.

Step 5: When Council or a Search Committee has a candidate they feel qualifies to be called as Emmanuel's settled pastor, a special meeting of the congregation will be held where the candidate will be presented and the congregation will vote. Prior to that meeting, information about the candidate will be shared and likely an opportunity to meet that person and hear them preach would be made available to the congregation. *(note: a quorum for a vote to call a pastor requires participation by 25% of eligible voting members. based on our 12-31-20 membership of 94, this would be 23.5 or 24 members.)*

The Transition Team of Marjore Thompson, Peggy Hazelberg, Christy Lui and Robert Zondag with assistance from Ken Pike did a phenomenal job on the Profile and they are all to be THANKED!

We appreciate your ongoing support. Donations may be sent to our P.O. Box address: Emmanuel UCC, P.O. Box 216, Dousman 53118. THANK YOU!!

THANK YOU for your ongoing support!

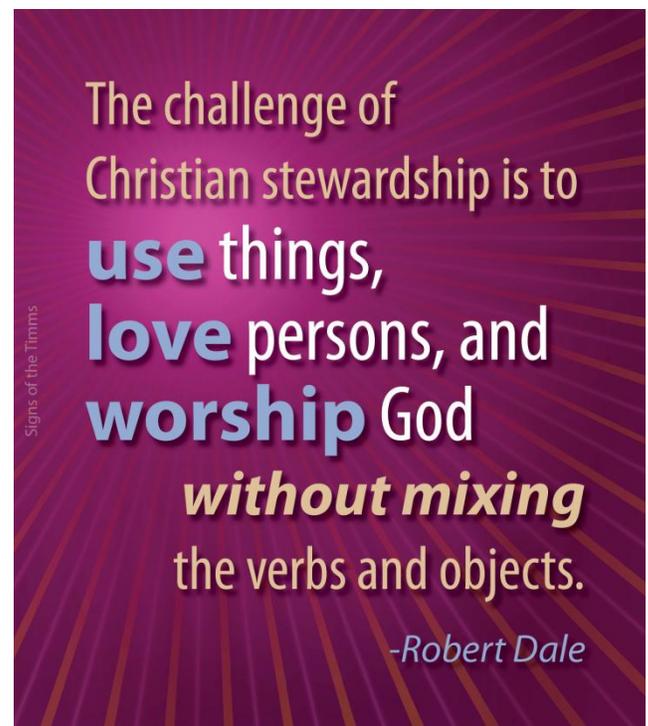

Do you have a talent or passion

THANK YOU to all who regularly donate bags of aluminum cans. Hopefully we're done with heavy snow, so the garage is again accessible and you may place your bags of cans in front of it.

SUMMER PLANS

We are hopeful that we'll be able to resume our August Rummage Sale as conditions with Covid continue to improve. We will schedule it on Dousman's village-wide rummage day which will be Saturday, August 28th. Please hold your treasures until August when we will begin taking donations and stay tuned for further announcements.

We miss you! We hope to resume gathering in the parking lot each Sunday at 9:30 AM for worship beginning **April 25th** (other than Easter Sunday which will be in the parking lot at 10 AM). Of course, outdoor services are always weather-dependent and online alternatives will always be offered if the weather does not cooperate.

We are getting inquiries about when we'll resume inside services and why we're delaying that step, after all, other churches are doing it. We've been aware throughout the past year that other churches have either continued to or resumed inside worship. Emmanuel's Council has chosen to follow the health guidelines that have been and continue to be set forth by the CDC, WI Council of Churches, our local health department and people within the congregation who work in the healthcare field. This chart from the WI Council of Churches website explains the parameters on the safety of gathering inside:

UNSAFE TO GATHER	MAKE IT SAFER	SAFEST
Vaccination rates <50%	Vaccination rates 50-70+%	Vaccination rates 70-85+%
Viral Transmission <ul style="list-style-type: none"> ♦ Cases >10/100K ♦ Positive Tests >10% 	Viral Transmission <ul style="list-style-type: none"> ♦ Cases 5-10/100K ♦ Positive Tests <10% 	Viral Transmission <ul style="list-style-type: none"> ♦ Cases <1/100K ♦ Positive Tests <5%

As of March 21st, 28.2% of Waukesha County residents have received at least one dose of the vaccine. 16.3% have completed the vaccine series. Using this chart, that makes it very clear that, while things are improving, we're not there yet.

Emmanuel's Council wants you to understand that we ALL miss gathering in the sanctuary and are anxious to be able to do that again. That being said, the safety of all who enter is most important to us. While we will never be able to insure safety with 100% certainty, we want the odds to be better. We SO appreciate the support of our church family over the past year....you're the best!
