FROM  
PASTOR LEANNE

Language is complicated and constantly changing. One of the hard things about Christianity is that we have an ancient tradition, filled with ancient concepts, understandings of the world, and, yes, language. It requires some unpacking when a word comes up and we aren't used to it or it has stopped meaning what we think it means.

This fall we're looking at "covenants." A covenant is a legal agreement, an alliance, a treaty, a binding contract, a promise with life and death consequences. We started with God's first covenant with all of creation and the [rain]bow that was put in the sky to remind God of that covenant. It became for us a reminder that God continued to make covenants with individuals and communities, entering into a formal agreement with creation. It is why each week we're adding color to our understanding of God's covenant with people. Like any good contract, there are expectations for both parties, in this case, God (to provide and care for) and creation and humanity (to learn and grow, to live in love, to care for all of creation including all our neighbors).

Covenants are hard. It's why our legal system is full of cases related to breaches or breaking of contracts. We wouldn't need to formalize them if what was contained in them wasn't a challenge for at least one person. Our Scripture reveals that people were not always good at living into the covenants that were made with God and they have life and death consequences. It isn't that God reprimands us, but if our covenant with God is about how we treat each other, then the quality of the lives of our neighbors all over the world is how we live the covenant. How we live into the covenants in our world today will be our focus for the second half of the fall.

But there is the thing about our covenant, our agreements, our promises: God is always faithful. It's like God is trying again and again to help us understand the world that they tried to create, and trying again and again to teach us how to live and love into that good creation, all the way to the cradle, the hillside, and the cross.

What words from religion interest you? Stump you? Seem dated, meaningless, unkind? Let me know! Let's explore those together!

Pastor Leanne

## ORDER SCRIP

**October 2<sup>nd</sup>**

Place orders with Mary Branson. Cards will be delivered to you the following Sunday. **Pastor Leanne is in need of \$25 Pick n Save cards for the Congregational Care Fund.** Your next opportunity to order Scrip will be December 4<sup>th</sup>.

**Ladies Fellowship  
will meet on Tuesday, October 11  
at 1:00 PM in fellowship hall**

Congratulations on your generosity! We raised a little over \$225 for Everytown for Gun Safety. This organization not only supports and advocates for survivors of gun violence, but also helps schools with safety programs and works to eliminate illegal guns.

For September, we were supporting our own Congregational Care Fund. This fund helps not only people in our community but also families in our church who may need a little help with rent, gas, or groceries. Even a small amount can mean a lot to someone struggling. Also remember the October Scrip orders and purchase gas and grocery cards for the Congregational Care Fund. These gift cards can be given to Pastor Leanne for the fund. The church uses Scrip orders as a fundraiser, as we receive a percentage of each gift card purchased. See Mary Branson or Laurie Buckett if you have questions about upcoming Scrip orders.

In October and November, our Singing Bowl contributions will be given to the organization R.U.B.I.E.S. Their Mission is to identify and reach girls who are at risk of exploitation and sex trafficking while preventing them from being victims through awareness education and mentorship and to restore those victimized by this trauma. They are based out of Milwaukee but have offices all over Wisconsin.

Here are some surprising statistics about Sex Trafficking in Wisconsin:

- Commercial Sexual Exploitation of Children (CSEC) aka Sex trafficking has been reported in ALL 72 counties in WI.
- Approximately 68-89% of adult sex workers were victims of some form of abuse as a child.
- Every 2 minutes a child is being exploited in this industry.
- Sex trafficking is one of the most lucrative industries in the world.
- Milwaukee is a well-known Hub for Sex Trafficking.

Please help by contributing to our Singing Bowl if you can. Thanks as always to a compassionate congregation.

**PLEASE NOTE:  
The Singing Bowl remains at the rear  
of the Sanctuary to collect your  
donations. The large offering bowl is  
no longer there....the Ushers will be  
collecting your regular offerings  
during the Service.**

## NEIGHBORS IN NEED OCTOBER 2

A special mission offering of the United Church Of Christ that supports ministries of justice and compassion throughout the United States. 1/3 goes to support the Council for American Indian Ministry

to support a variety of justice initiatives and advocacy efforts and direct service projects. Also through grants it awards churches and organizations monies for doing justice work in their communities. This year special consideration will be given to projects focusing on serving our immigrant neighbors and community.

Our Stewardship Committee would also like to support the UCC fund for helping the flood disaster victims in Pakistan and around the world. So we will divide our collected donations between Neighbors in Need and flood victims who desperately need our help.

The offering will be taken on Sunday, October 2, World Communion Sunday. Special offering envelopes marked "Neighbors In Need" are located in the sign-in Fellowship Pads located in each row of chairs in the Sanctuary. If you are mailing in a donation, please mark it Neighbors in Need.

We have been providing assistance to those who have been experiencing homelessness or have faced the threat of losing their home. One way is through the Family Promise Prevention Program in which households receive both rent and utility assistance and are able to stay in their homes. As of August, 46 households have received this form of help. The biggest challenge facing these families is the increase in rent, making their current residence more expensive than they can afford with cheaper alternatives nonexistent. The other program is the Shelter Program in which apartments are available for four families at a time. Fourteen households have received this form of assistance so far this year. The average length of stay is 72 days. The short supply of affordable housing and increased requirements about income makes it difficult for many to find housing. This is one reason the length of stay for the Shelter Program is growing.

We hosted the four families in the Shelter Program at the end of September by providing three meals to each of the families. Thanks to all who made mealtime a little easier for these families.

## Winter Clothing Drive

Family Promise will be holding a winter clothing drive in October. Families will be interviewed for their specific needs. Items will be listed on the Family Promise website via Sign-up Genius. ## **An Update on Jim Langreder's Journey Toward Ordination**

Jim Langreder, our Member in Discernment on his alternative path to ordination, continues to serve at First Congregational in East Troy. His contract ended in May but he was led by the Spirit to continue working with the congregation. The members in East Troy moved Jim from a long-term pulpit supply position to 1/4 time. The congregation is growing and has been getting involved in community events. In May, Jim was installed as the Vice Moderator for the Southeast Association Administrative Team. He, along with Rev. Brittany Barber from First Congregational in Waukesha will work together closely to serve the Southeast Association.

Also in May was the halfway point for a Leadership Skills course that will continue this fall and winter. June saw the completion of a 9 month unit of CPE (Clinical Pastoral Education) where Jim served as a chaplain intern at Lakeland Medical Center in Elkhorn and Burlington Memorial Hospital in Burlington. He thoroughly enjoyed this experience learning about himself and how he interacts with people and how to grow these attributes on a deeper level. Jim met with the Committee on Ministry in June and the decision was made to have Jim work on his portfolio which will be a document containing all the learning elements that he was been working on for the past three and a half years. Once this is complete, hopefully by the October 6th meeting, the committee will decide if approval is granted for the "next step" which wasn't clear, but we are hoping it will be to schedule an Ecclesiastical Council meeting. Jim was excited and felt blessed to be able to come back home to Emmanuel and help with the parade float this summer and record music for our worship services as needed.

Jim would appreciate prayers as he continues this journey. Prayers for discernment on upcoming decisions as well as prayers for energy and stamina to balance the learning elements with regular work.

**THANK YOU** to everyone who made this year's sale a huge success....donating treasures, working before, during and/or after the sale, donating food (all of the food/bakery sold is donated by the Ladies Fellowship members).

**Total funds deposited for this year's sale (drum roll please)....\$4,426.95!!!**

### Council Updates...

- Council met on September 18<sup>th</sup>.
- Emmanuel provided fellowship hall for a potluck gathering for parents and other citizens in the area who are concerned with the recent actions of the Kettle Moraine School Board regarding the 'clarification' procedures of staff guidelines e.g. removal of all flags with focus on pride flags.
- Family Promise is working on returning to the in-church rotation for housing families. We will need to do retraining before it would begin and determine what our volunteer base will look like. Would possibly be rotating every two weeks rather than every week.
- Trustees is delaying painting the outside of the church until next year. LOTS of volunteers will be needed to help with prep and painting. They hope to get an early start in spring 2023.
- Emmanuel will be allowing a Barbershop singing group to practice in the Sanctuary twice a month beginning September 25. This is a group that we became aware of through Bob Krantz, who used to be a member.
- Trustees discussed the high fees associated with online giving and will work with Stewards to educate the congregation during this fall's pledge drive for 2023.
